

Service to go Project:

Laundry Kits

DESCRIPTION:

Assemble laundry kits for individuals experiencing homelessness or poverty, who might not have regular access to laundry supplies.

MATERIALS:

- Gallon-sized Ziploc bags
- Detergent packs
- Pre-packaged dryer sheets
- Laundry how-to sheets
- Laundry bags

INSTRUCTIONS:

1. Inside each gallon-sized bag, place one pack of detergent, one pack of dryer sheets, one how-to sheet and one laundry bag.
2. Add a friendly note in each laundry kit. Suggested messaging could include "Have a great day!" or "Thinking of you!"
3. Optional step: Gather some quarters for individuals to use at the laundromat. For reference, one load of laundry costs about \$4. Quarters should all be placed in a separate bag and brought to us alongside your completed laundry kits. Quarters should not be included in the individual gallon-sized bags.
